The following was distributed to the KYAE listserv.

Fast Forward notification

To all teachers/users of Fast Forward,

This afternoon you will notice a change in the number of Fast Forward seats given to your county to align with the new fiscal year purchase. You will see that the number of students you have listed as "full access" is equal to or less than the number of seats that are allocated to your center so your current students will not see a change.

If you encounter a situation where you need more seats than you have been allocated, please contact Elizabeth Arauz at elizabeth.arauz@ky.gov with your request for more.
